Children's Hospice South West

For more than 25 years Children's Hospice South West has been caring for children with life-threatening conditions by providing children's hospice and professional family support services. We are dedicated to making the most of short and precious lives through the provision of the best possible hospice care for children and young people with life-limiting conditions. The care offered at each of our three hospices is not just about medical and nursing support for sick children but enriching lives of the children and their whole family.

We provide care and support to families living in the South West, who have children with life-limiting conditions. We provide specialist palliative care, respite for the whole family, a sibling service for brothers and sisters, emergency support, end of life care and a bereavement service for as long as is needed. We welcome referrals from anyone.

Nailsea & Backwell Rugby Football Club

With 3 Senior Teams, 13 Junior Teams, 300 youngsters from 6 to 18 years old in training, Touch Rugby and now Walking Rugby for men 55+ and ladies 45+, the club is one of the few in Somerset Accredited to the RFU for Senior & Junior Rugby. The Club also plays host to the Nailsea Running Club, Nailsea Ladies Hockey, MG Owners Club, Skittles Teams & many community events as well as being available to hire for meetings, functions and conferences.

The Beer & Cider Festival

The Beer & Cider Festival is held in a 200ft Marquee with probably the largest selection of Beers and Ciders you'll find at an independent festival at over 160 different brews, hopefully every barrel having been sponsored. There will be live music all day Saturday and Sunday, a Children's Village with Slides, Bouncy Castles & Side Shows. We also have a variety of food and refreshment stalls. A Family Weekend with an ever increasing attendance, expected to top 6,000 this year due to the Festivals ever growing popularity.

We owe an enormous debt and thanks to all those in the Rugby Club who give up their free time and share their expertise, to those supplying the entertainment for free and to our generous, supportive sponsors.
